

## Counsellor Pasifika Ola Lelei Service

SouthSeas Healthcare Trust is an established Primary Healthcare Provider with almost twenty years of service to patients and their families across the South Auckland community.

We offer a range of services and programmes based at our Otara clinic and in homes, schools and other communities across South Auckland. South Seas is excited to recruit someone who is passionate about working with Pacific people and their families to achieve their health and wellbeing goals.

This is a unique opportunity to be part of a passionate group of health professionals working in a multi-disciplinary environment providing services to a high needs population.

The Pasifika Ola Lelei Service [POLS] is a service within South Seas Healthcare Trust. The POLS goal is to prevent & minimise gambling harm to our Pasifika communities.

### Requirements for applicants:

- Graduate qualifications from New Zealand recognised tertiary institution in addiction studies or related applied health or social science degree (eg counselling, social work, psychology, nursing, medicine,)
- Must be a registered as a health practitioner permitted to practice under the scope of the Health Practitioners Competence Assurance Act 2003, or registered or endorsed by the Addictions Practitioners Association Aotearoa – New Zealand (DAPAANZ).
- Provide clinical and therapeutic support to Pasifika individuals, families and affected others experiencing harm from problem gambling and related co-existing issues.
- Be committed to working as part of a health team of health promoters, registered nurses, whānau support workers, and management.
- A full current, clean NZ Drivers licence.
- Positive attitude and excellent communication and personal skills.

For a detailed job description please send your cover letter and CV via email to [doleen.raj@southseas.org.nz](mailto:doleen.raj@southseas.org.nz)
